## ***Matrix Residential Care Homes provide expert 24-hour care***

**Matrix offers comprehensive care in a home-like family environment.**

At Walnut Lodge in Burnsville, we offer assisted living services that allow our residents to enjoy activities and independence, with the comfort of knowing on-site health care and personal assistance is there when they need it.

Walnut Lodge, is owned by Matrix Residential Care Homes and staffed by Matrix Home Health Care Specialists.

Walnut Lodge is ideal for people with chronic health needs, cognitive challenges, or dementia, and end of life transition. Located in a quiet residential neighborhood, it's conveniently accessed from I-35, Hwy. 77, Hwy. 13, and Hwy. 169.

***At Walnut Lodge, medical assistance is always close by***

## **Uniquely Designed with Home-Style Amenities**

- Private and shared rooms for a maximum of 6 residents.
- Certified caregiving staff who are extensively trained, energetic, compassionate and committed to you.
- Nutritious home-cooked meals, including special diets, prepared on site.
- Personalized care plans – including daily activities and exercise.
- A community lifestyle that promotes independence and respects an individual's privacy, as well as their personality and character.

***When considering the next step in your life, it's important to know all of your options***

Our nurturing and professionally trained nursing staff will work diligently, with direction from your primary care physician, to provide the quality care you deserve at Walnut Lodge.
